Remarks/Market Observations:

The following observations were gathered during the actual price monitoring activities this week:

1. Fishing operations for fresh marine commodities remain hampered by the Closed Fishing Season (CFS) in Northeastern Palawan and Visayan Sea. As a result, supplies of Alumahan, Local-fresh Galunggong and other fresh marine fishery commodities continue to be unstable among the monitored retail markets. Disparity in retail prices were influenced by the quality and source areas of the commodities.
2. For aquacultured commodities, the prevailing prices remain unchanged due to the stable and sufficient supply in the monitored markets.
3. Top fishery commodities in the monitored markets were sourced mainly from the following:
   a. Bangus - Bulacan
   b. Tilapia - Batangas
   c. Local-fresh Galunggong - Navotas, Malabon & Farmers Markets (Lucena, Quezon)
   d. Imported-frozen Galunggong - Navotas Fish Port
   e. Alumahan - Lucena, Quezon
4. Influx of buyers in the monitored markets remain low as vendors and consumers continue to take precaution against COVID-19. The minimal number of buyers alongside the limited availability and high selling price of marine commodities caused some vendors to:
   a. close their fish stalls;
   b. offer limited volumes of fish to ensure that all supplies are sold out by the end of the day; or
   c. sell aquacultured commodities or other available fishery commodities instead.
5. Despite the above-mentioned, market administrators continue to ensure the safety of vendors and consumers through the stringent implementation of precautionary safety measures against COVID-19.
6. Following are the Suggested Retail Prices (SRP) for Bangus, Tilapia, Imported-frozen Galunggong, and Alumahan as well as the respective monitored retail markets with vendors selling beyond the maximum allowable limit:
   a. Tilapia (Php120.00/kg) - Tandang Sora and Kamuning Markets
   b. Bangus (Php160.00/kg) - Trabajo, Tandang Sora, and Kamuning Markets
   c. Imported-frozen Galunggong (Php140.00/kg) - Trabajo, Quinta, Commonwealth, Tandang Sora, Farmers, Balintawak, Muñoz, Kamuning, and Galas Markets
   d. Alumahan (Php250.00/kg) - Galas Market
