<b>Remarks/Market Observations:</b>		<p>The following observations were gathered during the actual price monitoring activities this week (March 16-20, 2020):</p> <ul style="list-style-type: none"> <li>*The price of Bangus had a small increment due to the lower volume of supply. This may be attributed to the lesser viajeros arriving at the Fish Port due to the Enhanced Community Quarantine in Luzon caused by the COVID-19 outbreak.</li> <li>*The price of Tilapia remain relatively higher.</li> <li>*A large volume of marine fishes, including Local Galunggong, Tamban, Matambaka, and Alumahan, are unloaded at the Fish Port.</li> <li>*The Enhanced Community Quarantine has affected the Navotas Fish Port operations in terms of lesser vendors and low demand.</li> <li>*There is an abundance of frozen fishery commodities at the market.</li> </ul>
