<p><b>Remarks/Market Observations:</b></p> <p>The following observations were gathered during the actual price monitoring activities this week (March 29 to April 4, 2020):</p> <ul style="list-style-type: none"> <li>*There is an abundance of marine commodities such as Local Galunggong (<i>Decapterus spp.</i>), Dalagang Bukid Bilog, Tulingan, Salay-ginto, Matambaka, Tahong and Pusit Kalawang in the monitored retail wet markets.</li> <li>*Majority of the available Galunggong Babae are small-sized, while Galunggong Isaki are small to medium-sized.</li> <li>*More markets have imported Galunggong but only Balintawak Market has medium-sized while Quinta, Mega-Q, and Farmers have large-sized. The non-availability of the commodity in the remaining monitored markets may still be due to the abundance of its local variant, which is more preferred by consumers.</li> <li>*Major source areas for Bangus and Tilapia are Bulacan and Pampanga, respectively. Only a few markets have supply of Tilapia Batangas and Bangus Pangasinan.</li> <li>*Some fish stalls in the monitored markets remain closed due to the lower demand caused by lesser buyers at the market, and fear of acquiring COVID-19.</li> <li>*The following markets have implemented precautionary management measures to avoid COVID-19: <ul style="list-style-type: none"> <li>(a) Kamuning Market - "No ID, No Entry Policy";</li> <li>(b) Quinta Market - "One Entry, One Exit" and "No Mask, No Entry" Policies; and maximum of 20 buyers inside the market during peak hours. Market admin also imposed shift in trading hours to 7:00AM to 7:00PM from 5:00AM to 8:00PM, but in actual monitoring, trading hours still start as early as 5:00AM;</li> <li>(c) Munoz Market - "One Entry, One Exit" and "No Mask, No Entry" Policies; and shift in trading hours to 6:00AM to 6:00PM from previous schedule of 6:00AM to 8:00PM;</li> <li>(d) Tandang Sora Market - under Extreme Community Quarantine in Bgy. Tandang Sora; and "One Entry, One Exit Policy";</li> <li>(e) Galas Market - maximum of 6-7 buyers inside the market at a time;</li> <li>(f) Balintawak Market - "No Mask, No Entry Policy" and shift in trading hours to 3:00AM to 6:00PM from 24-hour operation;</li> <li>(g) Commonwealth Market - shift in market hours to 4:00AM to 6:00PM from 2:00AM to 10:00PM; (h) Navotas Fish Port - "No ID, No Entry Policy"; restriction of ID issuance; and shift in trading hours to 4:00PM to 1:00AM from 7:00PM to 3:00AM</li> </ul> </li> <li>*Trabaja Market has resumed its operations on April 3 after the temporary closing on March 31 due to the COVID-19 positive cases in the market. However, only three (3) fish stalls were open and very minimal buyers were observed.</li> <li>*Balintawak Market continues to have a large number of buyers and vendors despite of the situation of COVID-19. Other remaining markets still have very low influx of buyers.</li> <li>*Some fish vendors from the following markets are selling their supply of Bangus and Tilapia above the maximum allowable limit of the set SRP due to price mark-up caused by sourcing their supply in nearby retail markets (i.e. Farmers): <ul style="list-style-type: none"> <li>• Bangus - Kamuning, Galas, Tandang Sora</li> <li>• Tilapia - Kamuning</li> </ul> </li> <li>*In Munoz and Tandang Sora Markets, only the wet area (fish, meat, and vegetable section) is open.</li> </ul>
