Remarks/Market Observations:	<p>The following observations were gathered during the actual price monitoring activities this week (April 26-30, 2020):</p> <ol style="list-style-type: none"> Generally, there is sufficient supplies of bangus, tilapia, and fresh marine commodities at the monitored markets. However, most of the available fish are of low quality and/or are remaining supplies from previous day, explaining the low selling price among vendors Local galunggong sourced from Lucena, Quezon are sold at a higher price range (Php250.00/kg - Php260.00/kg) due to logistic costs. Only Farmers Market has supply of medium-sized imported galunggong as observed during the April 28 monitoring. Large-sized was available at the Quinta Market. Only Farmers Market has supply of medium-sized imported galunggong as observed during the April 28 monitoring. Large-sized was available at the Quinta Market. Bangus and tilapia supplies at the monitored markets are mostly from Bulacan and Pangasinan, respectively. Based on the price monitoring activities, the following markets were observed to have vendors selling their bangus and tilapia above the maximum allowable limit of the set Suggested Retail Prices (SRP): <ul style="list-style-type: none"> a. Bangus -Tandang Sora b. Tilapia -Quinta The Department of Trade and Industry (DTI) inspected Kamuning, Galas, and Mega-Q Markets on the vendors' compliance to the Suggested Retail Prices for local and imported galunggong. Vendors who were found to be non-compliant presented receipts from wholesalers and explained that their selling prices are dependent on the wholesale price ("hango"). *Munoz Market has restricted its market window schedule on Sundays to residents of Barangay Veterans Village, Bungsod, Katipunan, & San Antonio.
