		Male	100	100	100	100	-	China, Vietnam	
		Female	90	90	90	90	-	China, Vietnam	
Remarks/Market Observations:		The following observations were gathered from market personnel and vendors: 1. Bangus and Tilapia are observed to be in sufficient volumes at the Navotas Fish Port. Local galunggong, however, have relatively lower availability at the fish port amid the lean fishing season for marine commodities. 2. Major source areas of the top fishery commodities are: Commodity Wholesale (Navotas Fish Port) Bangus Pangasinan Tilapia Batangas Local Galunggong Palawan 3. Imported galunggong, among other frozen fishery commodities, were also observed at the fish port. 4. Philippine Fisheries Development Authority (PFDA) continues to implement precautionary management measures aimed at preventing the further spread of COVID-19 at the Navotas Fish Port. 5. Citywide lockdown at Navotas was lifted on July 29, 2020. 6. Data gathering at the fish port is conducted via phone calls or SMS with the market personnel in view of the Bureau's suspension of physical monitoring activities amid increasing COVID-19 cases.
