Remarks/Market Observations:

The following observations were gathered from market personnel and vendors this week:

- Sufficient displays of fresh marine commodities were noted this week in the monitored markets. Relative to this, the prevailing retail price of medium sized local fresh galunggong was sustained at Php240.00/kg, mainly source from Navotas Fish Port, Malabon Fish Port and Lucena, Quezon.
- In connection with the sufficient availability of its local variant, no imported-frozen galunggong was recorded in the monitored retail markets this week.
- For medium sized alumahan, minimal changes was recorded in the prevailing price this week, which may be attributed with the limited availability of the said commodity in the monitored retail markets.
- Meanwhile, aquacultured commodities continuous to have sufficient availability this week. Relatively, sustained prevailing prices were recorded for medium sized bangus and tilapia at Php130.00 & 180.00/kg and Php120.00/kg, respectively.
- Top fishery commodities in the eighteen (18) monitored retail markets are sourced mainly from the following areas:
 - Bangus - Bulacan
 - Tilapia - Batangas
 - Local Galunggong - Navotas Fish Port, Malabon and Lucena, Quezon
 - Alumahan - Navotas Fish Port
- In view of the escalating COVID-19 cases and implementation of Enhanced Community Quarantine (ECQ) in Metro Manila, physical price monitoring activity in the ten (10) monitored retail markets are temporarily suspended beginning 20 August 2021 (Friday) until further notice. Relative to this, daily price data and market observation are gathered via phone calls covering Top 4 Fishery commodities (i.e., bangus, tilapia, alumahan, local-fresh and imported-frozen galunggong).
- Market administrators continue to implement and observe precautionary safety measures against COVID-19 in accordance with the Enhanced Community Quarantine (ECQ) protocols to ensure that vendors and consumers protected against the virus. Among these measures are wearing of facemasks and face shields, mandatory temperature checks, and regularly scheduled cleaning and disinfection, and others.
