Remarks/Market Observations:

The following observations were gathered from market personnel:

- Generally, sufficient quantity of fresh marine commodities were unloaded at Navotas Fish Port, as observed this week. More specifically, for local-fresh galunggong lalaki (*Decapterus macrosoma*), four (4) brokers unloaded the medium-sized commodity at the fish port on 18 April 2022 at an average prevailing wholesale price of Php172.00/kg (Php138.00/kg, Php175.00/kg, Php180.00/kg & Php193.00/kg) all were sourced from Northern Palawan. Other fishery commodities recorded were tambakol, gulyasan, hipon, pusit, bisugo, batalay, dalagang bukid, lapad, balsa, galunggong, tunsoy, chabeta, tamban and others.
- Meanwhile, adequate availability of imported-frozen galunggong lalaki (*Decapterus macrosoma*) and imported frozen galunggong babae (*Decapterus russelli*) were observed at the Fish Port this week. In fact, seven (7) brokers have supplies of medium-sized imported-frozen galunggong lalaki (*Decapterus macrosoma*) on 18 April 2022, with a recorded prevailing wholesale price of Php110.00/kg sourced from China and Vietnam.
- No unloading of medium-sized alumahan were recorded throughout the week at the fish port.
- For medium-sized bangus, minimal decrement were noted this week which may have been resulted from the adequate availability of fresh marine commodities at the fish port that may have caused the shift in demand as well as the change in size of available supplies from 2-3 pcs/kg to 3pcs/kg noted during monitoring this week. Moreover, eight (8) brokers offered the medium-sized bangus from Bulacan at Navotas Fish Port on 18 April 2022 at prevailing wholesale price of Php120.00/kg.
- Lastly, the prevailing wholesale price of medium-sized tilapia (Batangas) was stabilized at Php85.00/kg (live), as supplies remained ample to cater the demand of the buying public.
- Top fishery commodities in the monitored markets are sourced mainly from the following areas:
 - Bangus - Pangasinan, Bulacan
 - Tilapia - Batangas
 - Local Galunggong- Northern Palawan
 - Alumahan- NA
 - Imported galunggong - China and Vietnam
- Precautionary measures (e.g., wearing of face mask and face shields as well as white boots and shirts, mandatory temperature checks, and regularly scheduled cleaning and disinfection) were continuously implemented by the Philippine Fisheries Development Authority (PFDA) at Navotas Fish Port Complex to safeguard vendors and buyers against COVID-19.
