

WE ARE HIRING!

One (1) Graphic Artist

**Send your applications at ifcu@bfar.da.gov.ph
Deadline of Application is on June 8, 2022.**

The Bureau of Fisheries and Aquatic Resources' Information and Fisherfolk Coordination Unit is looking for a **Graphic Artist**.

QUALIFICATIONS:

- Preferably a graduate of Multimedia Arts, or other related degree programs
- Professional experience gained in the field of layout and graphic design
- In-depth knowledge of and expertise in Adobe Creative Suite software applications such as Photoshop, InDesign, Illustrator, and AutoCAD software is an advantage
- Can provide portfolio with design projects — logos, posters, and other published materials
- Has a creative flair and the ability to generate ideas
- Good organizational skills with the ability to prioritize and a good eye for details
- Has professional civil service eligibility or equivalent
- Willing to travel and work closely with Immediate Supervisor
- Knowledge of fisheries and marine environment concepts is a plus

STATUS: Contract of Service

Successful applicants will be based at the BFAR Central Office in Visayas Avenue, Quezon City, and will be frequently assigned to cover the Bureau's programs and activities across the Philippine regions.

Interested applicants may send their portfolio of works, resumes, and cover letters to ifcu@bfar.da.gov.ph.

Please write “**APPLICATION for Graphic Artist**” on the subject line and address the cover letter to Eduardo B. Gongona, DA-BFAR National Director.

Shortlisted applicants for the position of Graphic Artist will be contacted and requested to be available for an online application test.

DEADLINE of application is **June 8, 2022**. Submissions beyond this date will not be considered. Kindly refrain from sending personal messages on Facebook. Only inquiries through email and on this thread will be entertained.
