Glossary of Acronyms, Terms, and Abbreviations

ABC – Approved Budget for the Contract.

BAC - Bids and Awards Committee.

Bid – A signed offer or proposal to undertake a contract submitted by a bidder in response to and in consonance with the requirements of the bidding documents. Also referred to as *Proposal* and *Tender*. (2016 revised IRR, Section 5[c])

Bidder – Refers to a contractor, manufacturer, supplier, distributor and/or consultant who submits a bid in response to the requirements of the Bidding Documents. (2016 revised IRR, Section 5[d])

Bidding Documents – The documents issued by the Procuring Entity as the bases for bids, furnishing all information necessary for a prospective bidder to prepare a bid for the Goods, Infrastructure Projects, and/or Consulting Services required by the Procuring Entity. (2016 revised IRR, Section 5[e])

BIR - Bureau of Internal Revenue.

BSP - Bangko Sentral ng Pilipinas.

Consulting Services – Refer to services for Infrastructure Projects and other types of projects or activities of the GOP requiring adequate external technical and professional expertise that are beyond the capability and/or capacity of the GOP to undertake such as, but not limited to: (i) advisory and review services; (ii) pre-investment or feasibility studies; (iii) design; (iv) construction supervision; (v) management and related services; and (vi) other technical services or special studies. (2016 revised IRR, Section 5[i])

CDA - Cooperative Development Authority.

Contract – Refers to the agreement entered into between the Procuring Entity and the Supplier or Manufacturer or Distributor or Service Provider for procurement of Goods and Services; Contractor for Procurement of Infrastructure Projects; or Consultant or Consulting Firm for Procurement of Consulting Services; as the case may be, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

CIF – Cost Insurance and Freight.

CIP - Carriage and Insurance Paid.

CPI - Consumer Price Index.

DDP - Refers to the quoted price of the Goods, which means "delivered duty paid."

DTI – Department of Trade and Industry.

EXW – Ex works.

FCA - "Free Carrier" shipping point.

FOB – "Free on Board" shipping point.

Foreign-funded Procurement or Foreign-Assisted Project–Refers to procurement whose funding source is from a foreign government, foreign or international financing institution as specified in the Treaty or International or Executive Agreement. (2016 revised IRR, Section 5[b]).

Framework Agreement – Refers to a written agreement between a procuring entity and a supplier or service provider that identifies the terms and conditions, under which specific purchases, otherwise known as "Call-Offs," are made for the duration of the agreement. It is in the nature of an option contract between the procuring entity and the bidder(s) granting the procuring entity the option to either place an order for any of the goods or services identified in the Framework Agreement List or not buy at all, within a minimum period of one (1) year to a maximum period of three (3) years. (GPPB Resolution No. 27-2019)

GFI - Government Financial Institution.

GOCC –Government-owned and/or –controlled corporation.

Goods – Refer to all items, supplies, materials and general support services, except Consulting Services and Infrastructure Projects, which may be needed in the transaction of public businesses or in the pursuit of any government undertaking, project or activity, whether in the nature of equipment, furniture, stationery, materials for construction, or personal property of any kind, including non-personal or contractual services such as the repair and maintenance of equipment and furniture, as well as trucking, hauling, janitorial, security, and related or analogous services, as well as procurement of materials and supplies provided by the Procuring Entity for such

services. The term "related" or "analogous services" shall include, but is not limited to, lease or purchase of office space, media advertisements, health maintenance services, and other services essential to the operation of the Procuring Entity. (2016 revised IRR, Section 5[r])

GOP – Government of the Philippines.

GPPB - Government Procurement Policy Board.

INCOTERMS - International Commercial Terms.

Infrastructure Projects – Include the construction, improvement, rehabilitation, demolition, repair, restoration or maintenance of roads and bridges, railways, airports, seaports, communication facilities, civil works components of information technology projects, irrigation, flood control and drainage, water supply, sanitation, sewerage and solid waste management systems, shore protection, energy/power and electrification facilities, national buildings, school buildings, hospital buildings, and other related construction projects of the government. Also referred to as *civil works or works*. (2016 revised IRR, Section 5[u])

LGUs - Local Government Units.

NFCC - Net Financial Contracting Capacity.

NGA – National Government Agency.

PhilGEPS - Philippine Government Electronic Procurement System.

Procurement Project – refers to a specific or identified procurement covering goods, infrastructure project or consulting services. A Procurement Project shall be described, detailed, and scheduled in the Project Procurement Management Plan prepared by the agency which shall be consolidated in the procuring entity's Annual Procurement Plan. (GPPB Circular No. 06-2019 dated 17 July 2019)

PSA - Philippine Statistics Authority.

SEC – Securities and Exchange Commission.

SLCC - Single Largest Completed Contract.

Supplier – refers to a citizen, or any corporate body or commercial company duly organized and registered under the laws where it is established, habitually established in business and engaged in the manufacture or sale of the merchandise or performance of the general services covered by his bid. (Item 3.8 of GPPB Resolution No. 13-2019, dated 23 May 2019). Supplier as used in these Bidding Documents may likewise refer to a distributor, manufacturer, contractor, or consultant.

UN - United Nations.

Section I. Invitation to Bid

Department of Agriculture Bureau of Fisheries and Aquatic Resources

BIDS AND AWARDS COMMITTEE OFFICE

2/F Fisheries Bldg. Complex, BPI Compound, Brgy. Vasra, Visayas Ave., Quezon City
Tel. No.: +02. 8332. 4661 website: www.bfar.da.gov.ph e-mail: bac.eps@bfar.da.gov.ph

INVITATION TO BID FOR:

BID REFERENCE NO. 2023-35

The Department of Agriculture (DA) - Bureau of Fisheries and Aquatic Resources (BFAR) through the General Appropriations Act for 2023 intends to apply the sum of THIRTEEN MILLION ONE HUNDRED NINETY-NINE THOUSAND TWO HUNDRED TWENTY-THREE PESOS AND 95/100 ONLY (Php 13,199,223.95) being the ABC to payments under the contract for Bid Reference No. 2023-35 entitled SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR

1. Bids received in excess of the ABC shall be automatically rejected at bid opening.

| LOT NO. | PURCHASE REQUEST NO. | DESCRIPTION | APPROVED BUDGET FOR THE CONTRACT (ABC) (PHP) | BIDDING DOCUMENT FEE (PHP) |
|------------|----------------------------|---|--|----------------------------------|
| 1 | 23-07- 836 | SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR | Php 13,199,223.95 | Php 25,000.00 |
| | • | TOTAL | Php | Php |
| | | | 13,199,223.95 | 25,000.00 |

- 2. The DA-BFAR now invites bids for the above Procurement Project. Delivery of the Goods is required within the period stated in Section VI Schedule of Requirements. Bidders should have completed, within *FIVE (5) years* from the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).
- 3. Bidding will be conducted through open competitive bidding procedures via electronic or online means using a non-discretionary "pass/fail" criterion as specified in the 2016 revised Implementing Rules and Regulations (IRR) of

Republic Act (RA) No. 9184 and in accordance with the procedural guidelines under BAC Resolution No. 2020-55, attached hereto as Annex A "Adoption of Guidelines for the Electronic Submission of Bids in accordance with GPPB Resolution 09-2020".

Bidding is restricted to Filipino citizens/sole proprietorships, partnerships, or organizations with at least sixty percent (60%) interest or outstanding capital stock belonging to citizens of the Philippines, and to citizens or organizations of a country the laws or regulations of which grant similar rights or privileges to Filipino citizens, pursuant to RA No. 5183.

- 4. Prospective Bidders may obtain further information from the BFAR BAC Secretariat through the electronic mailing address given below, and inspect the Bidding Documents at www.bfar.da.gov.ph.
- 5. A complete set of Bidding Documents may be acquired by interested Bidders at the **2/Floor**, **BAC Office**, **Fisheries Building Complex**, **BPI Compound**, **Brgy. Vasra**, **Visayas Ave.**, **Quezon City** and/or through **electronic means** and upon payment of a *non-refundable* fee for the Bidding Documents in the amount stated above. The Procuring Entity shall allow the bidder to present its proof of payment for the fees in person, or through electronic means.
- 6. The DA-BFAR will hold a Pre-Bid Conference¹ through a video conference call using Zoom application which shall be open to interested bidders who have successfully completed registration one (1) calendar day prior to the pre-bid conference using Google Form https://docs.google.com/forms/d/15jz6wkV9LFL6_eHFltuhtTCrIjylJFJLIKO lvAPaMM4/edit.

The Schedule of Procurement Activities are:

| PROCUREMENT ACTIVITIES | DATE | TIME | VENUE |
|--|--------------------------------|---------------------------|---|

Chairperson, Bids and Awards Committee (BAC)

Section II. Instructions to Bidders

1. Scope of Bid

The DA-BFAR wishes to receive Bids for the SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR with identification number **2023-35**.

The Procurement Project (referred to herein as "Project") is composed of **one lot**, the details of which are described in Section VII (Technical Specifications).

2. Funding Information

- 2.1. The GOP through the source of funding as indicated below for FY 2023 in the amount of THIRTEEN MILLION ONE HUNDRED NINETY-NINE THOUSAND TWO HUNDRED TWENTY-THREE PESOS AND 95/100 ONLY (Php 13,199,223.95).
- 2.2. The source of funding is General Appropriations Act FY 2023.

3. Bidding Requirements

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manuals and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or **IB** by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have verified and accepted the general requirements of this Project, including other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

4. Corrupt, Fraudulent, Collusive, and Coercive Practices

The Procuring Entity, as well as the Bidders and Suppliers, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex "I" of the 2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

5. Eligible Bidders

5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.

- 5.2. Foreign ownership limited to those allowed under the rules may participate in this Project.
- 5.3. Pursuant to Section 23.4.1.3 of the 2016 revised IRR of RA No.9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project the value of which, adjusted to current prices using the PSA's CPI, must be at least equivalent to:
 - a. For the procurement of Non-expendable Supplies: The Bidder must have completed a single contract that is similar to this Project, equivalent to at *least fifty percent (50%)* of the ABC.
 - b. For the procurement of Expendable Supplies: The Bidder must have completed a single contract that is similar to this Project, equivalent to at least twenty-five percent (25%) of the ABC.
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.1 of the 2016 IRR of RA No. 9184.

6. Origin of Goods

There is no restriction on the origin of goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN, subject to Domestic Preference requirements under **ITB** Clause 18.

7. Subcontracts

- 7.1. The Bidder may subcontract portions of the Project to the extent allowed by the Procuring Entity as stated herein, but in no case more than twenty percent (20%) of the Project.
 - The Procuring Entity has prescribed that Subcontracting is not allowed.
- 7.2. The Bidder must submit together with its Bid the documentary requirements of the subcontractor(s) complying with the eligibility criteria stated in ITB Clause 5 in accordance with Section 23.4 of the 2016 revised IRR of RA No. 9184 pursuant to Section 23.1 thereof.
- 7.3. The Supplier may identify its subcontractor during the contract implementation stage. Subcontractors identified during the bidding may be changed during the implementation of this Contract. Subcontractors must submit the documentary requirements under Section 23.1 of the 2016 revised IRR of RA No. 9184 and comply with the eligibility criteria specified in ITB Clause 5 to the implementing or end-user unit.
- 7.4. Subcontracting of any portion of the Project does not relieve the Supplier of any liability or obligation under the Contract. The Supplier will be responsible for the acts, defaults, and negligence of any subcontractor, its

agents, servants, or workmen as fully as if these were the Supplier's own acts, defaults, or negligence, or those of its agents, servants, or workmen.

8. Pre-Bid Conference

The Procuring Entity will hold a pre-bid conference for this Project through a video conference call using the Zoom application on <u>August 29, 2023</u> (<u>Tuesday</u>), 10:00 AM which shall be open to prospective bidders who have successfully completed registration one (1) calendar day prior to the pre-bid conference

https://docs.google.com/forms/d/15jz6wkV9LFL6 eHFltuhtTCrIjylJFJLlK0 lvAPaMM4/edit and in accordance with the "Annex A, Bidder's Kit – I" as indicated in paragraph 6 of the IB.

9. Clarification and Amendment of Bidding Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents comprising the Bid: Eligibility and Technical Components

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 10.2. The Bidder's SLCC as indicated in **ITB** Clause 5.3 should have been completed within **five (5) years** prior to the deadline for the submission and receipt of bids.
- 10.3. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. Similar to the required authentication above, for Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

11. Documents comprising the Bid: Financial Component

11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.

- 11.2. If the Bidder claims preference as a Domestic Bidder or Domestic Entity, a certification issued by DTI shall be provided by the Bidder in accordance with Section 43.1.3 of the 2016 revised IRR of RA No. 9184.
- 11.3. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.4. For Foreign-funded Procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

12. Bid Prices

- 12.1. Prices indicated on the Price Schedule shall be entered separately in the following manner:
 - a. For Goods offered from within the Procuring Entity's country:
 - i. The price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable);
 - ii. The cost of all customs duties and sales and other taxes already paid or payable;
 - iii. The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and
 - iv. The price of other (incidental) services, if any, listed in e.
 - b. For Goods offered from abroad:
 - i. Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted delivered duty paid (DDP) with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
 - ii. The price of other (incidental) services, if any, as listed in **Section VII (Technical Specifications).**

13. Bid and Payment Currencies

13.1. For Goods that the Bidder will supply from outside the Philippines, the bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies, shall be converted to

Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

13.2. Payment of the contract price shall be made in Philippine Pesos.

14. Bid Security

- 14.1. The Bidder shall submit a Bid Securing Declaration² or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.
- 14.2. The Bid and bid security shall be valid until <u>January 09, 2024</u>. Any Bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

15. Sealing and Marking of Bids

Each Bidder shall submit bids in accordance with Section III – Bid Data Sheet, ITB Clause 15.

16. Deadline for Submission of Bids

16.1. The Bidder shall submit bids on or before <u>September 11, 2023</u> (<u>Monday</u>), 09:30 <u>AM</u> at the 2/F BFAR BAC Office, Fisheries Bldg. Complex, BPI Compound, Brgy. Vasra, Visayas Ave., Quezon City and electronic documents through <u>bac.eps@bfar.da.gov.ph</u> as indicated in paragraph 7 of the IB.

17. Opening and Preliminary Examination of Bids

17.1. The BAC shall open the Bids on <u>September 11, 2023, 10:00 A.M.</u> via video conference through "Zoom" application. Bids will be opened in accordance with the BFAR BAC procedure for online bidding as stated in the "Bidder's kit VII" as specified in paragraph 9 of the IB.

The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

17.2. The preliminary examination of bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

² In the case of Framework Agreement, the undertaking shall refer to entering into contract with the Procuring Entity and furnishing of the performance security or the performance securing declaration within ten (10) calendar days from receipt of Notice to Execute Framework Agreement.

18. Domestic Preference

The Procuring Entity will grant a margin of preference for the purpose of comparison of Bids in accordance with Section 43.1.2 of the 2016 revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

- 19.1. The Procuring BAC shall immediately conduct a detailed evaluation of all Bids rated "passed," using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of the 2016 revised IRR of RA No. 9184.
- 19.2. If the Project allows partial bids, bidders may submit a proposal on any of the lots or items, and evaluation will be undertaken on a per lot or item basis, as the case maybe. In this case, the Bid Security as required by **ITB** Clause 15 shall be submitted for each lot or item separately.
- 19.3. The descriptions of the lots or items shall be indicated in **Section VII** (**Technical Specifications**), although the ABCs of these lots or items are indicated in the **BDS** for purposes of the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184. The NFCC must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder.
- 19.4. The Project shall be awarded as One Project having several items grouped into several lots, which shall be awarded as separate contracts per lot.
- 19.5. Except for bidders submitting a committed Line of Credit from a Universal or Commercial Bank in lieu of its NFCC computation, all Bids must include the NFCC computation pursuant to Section 23.4.1.4 of the 2016 revised IRR of RA No. 9184, which must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder. For bidders submitting the committed Line of Credit, it must be at least equal to ten percent (10%) of the ABCs for all the lots or items participated in by the prospective Bidder.

20. Post-Qualification

Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, The Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS) and other appropriate licenses and permits required by law and stated in the **BDS**.

21. Signing of the Contract

21.1. The documents required in Section 37.2 of the 2016 revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the **BDS**.

Section III. Bid Data Sheet

15 Guidelines on the Sealing and Marking

A. Participating bidders/suppliers may submit their bidding documents through either of the following forms:

1. Hardcopy/ Physical document

• Submitted directly thru the Bids and Awards Committee (BAC) Office, at the following address:

Bids and Awards Committee (BAC) Office

<u>Bureau of Fisheries and Aquatic Resources</u> <u>Fisheries Building Complex, BPI Compound, Brgy. Vasra,</u> <u>Quezon City</u>

Note: If the participating bidders/suppliers only submits a hard copy of the document, and the same is discovered to be damaged or the entries thereof are not readable during the opening thereof, said participating bidders/suppliers loses his privilege to participate in the bidding.

2. Electronic and hardcopy

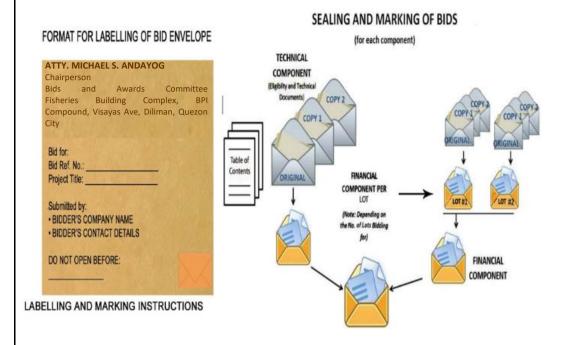

- The hardcopy/ physical document shall be scanned and encrypted with password (refer to Annexes BFAR Online bidding for the procedure).
- The scanned document will be sent via email at the following email address: bac.eps@bfar.da.gov.ph
- Bidders/suppliers may opt to submit both electronic and hardcopy in compliance with the abovementioned details.

Note: In case the electronic copy is discovered to be corrupted during opening, the back-up hardcopy will be opened as alternative option. However, in the event that both electronic copy and hardcopy are corrupted and/or not readable participating bidders/suppliers loses his privilege to participate in the bidding.

A. LABELLING AND MARKING INSTRUCTIONS FOR THE SUBMISSION OF HARD COPIES.

- 1. Main envelope shall:
 - (a) bear addressed to the Procuring Entity's BAC;
 - (b) bear the specific identification/ Bid Reference Number of this bidding;
 - (c) contain the name of the contract/Project Title to be bid;
 - (d) bear the Company name, address, and contact details of the Bidder;
 - (e) bear a warning "DO NOT OPEN BEFORE (the date and time of opening of Bids)."
- 2. Bidders shall enclose the First component (Eligibility and Technical documents) and Second component (Financial documents) of their bid.
- 3. Each Bidder shall submit *one* (1) original and *two* (2) copies of the first and second component of its bid.
- 4. The inner envelopes of the first and second components shall be similarly sealed and duly marked as Original, Copy 1, and Copy 2.

- 5. Each component must contain a Table of Contents and all documents attached should be properly tabbed and bound.
- 6. All pages should be signed by the bidder or bidder's authorized representative.

Sample format of labeled bid envelopes:

ATTY. MICHAEL S. ANDAYOG

Chairperson

Bids and Awards Committee

2/F Fisheries Building Complex, BPI Compound, Brgy. Vasra,

Visayas Avenue, Quezon City

Bid for: BID REFERENCE NO.: 2023-35

"SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR"

Submitted by:

- BIDDER'S COMPANY NAME
- BIDDER'S COMPANY ADDRESS
- BIDDER'S CONTACT DETAILS

DO NOT OPEN BEFORE:

September 11, 2023 (Monday) 10:00am.

Important: DA-BFAR will assume that the submitted electronic copies must be the same with the printed copies.

B. FOR BIDS TO BE SUBMITTED ELECTRONICALLY/ONLINE, THE FOLLOWING

PROCURES SHOULD BE OBSERVED:

The bidder shall prepare a final scanned copy of its Bid divided into two different files:

Eligibility Documents & Technical Documents; and

Financial Documents

To ensure confidentiality, authentication, integrity of the documents, the bidder shall use a two-factor security procedure consisting of an archive format compression of its bid.

Step 1. Scan the original copy of the Eligibility
Documents & Technical Documents and Financial
Documents, save as a PDF file and comply with the label
format below:

| 1. "BFAR Bid Reference No | (Name of Bidder); Leg | al & Technical Documents' |
|---------------------------|-----------------------|---------------------------|
|---------------------------|-----------------------|---------------------------|

Example

The BFAR BID REFERENCE NO.2020-1(NIKE.INC); Legal & Technical Documents FAR BID REFERENCE NO.2020-1(NIKE.INC); Legal & Technical Documents

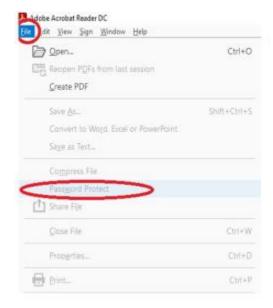

2. "BFAR Bid Reference No._____ (Name of Bidder); Financial Documents"

Example

BFAR BID REFERENCE NO.2020-1(NIKE.INC); Financial Documents
BFAR BID REFERENCE NO.2020-1(NIKE.INC); Financial Documents

Adding a password to a .PDF file using Adobe Acrobat Reader DC.

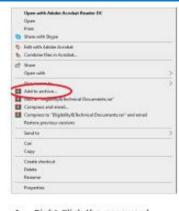

- 1. Open the PDF file
- 2. Choose File > Protect Using Password.

- 3. Select to set the password for Viewing the PDF
- 4. Type and retype your password.
- 5. Click Apply

Step 2. To archive and compress the file using WinRAR Application

- Right Click the password protected .PDF file.
- 2. Select "Add to archive."

- In the Archive name and parameters dialog box, select "Radio button ZIP" and click
- "Set password."

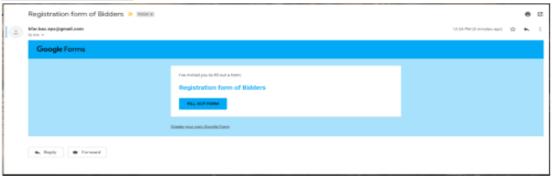

- Type your password and Click "OK button."
- **Note:** Passwords must be 8-16 characters and contain both numbers and letters/special characters. The bidder is required setting a unique combination for each file and folder. Same passwords for all files are not allowed

Submitting of the Bidding Documents

Bidders shall submit their Bids through Google Form at any time before the closing date and time specified in the Bidding Documents

Step 1. BAC Secretariat will send the Invitation link of Registration Form, thru bac.eps@bfar.da.gov.ph e-mail address.

Step 2. Upon received, click the FILL OUT FORM.

Step 3. Bidder must fill in the following required information.

Step 4. Click the <u>Add file</u> to upload Scanned Copy of Official Receipt (OR).

Step 5. After uploading of the Scanned Copy of OR, the bidder shall click the <u>Submit</u> button to complete the process and BAC Secretariat shall verify the submitted Official Receipt (OR).

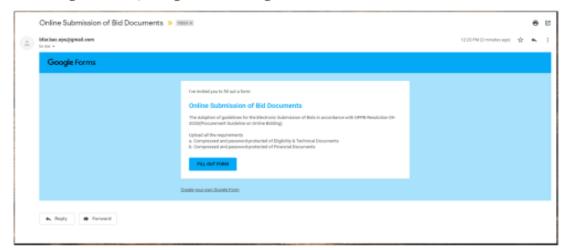

Step 6. A copy of the response will be automatically emailed to the address provided by the bidders.

Step 7. Upon verification of the Official Receipt (OR), the BAC Secretariat shall send the Public Bidding Documents through the given email or shall provide a hard copy upon request. It may also be downloaded free of charge from the website of the Philippine Government Electronic Procurement System (PhilGEPS) and the website of the Procuring Entity, provided that Bidders shall pay the applicable fee for the Bidding Documents not later than the submission of their bids.

Step 8. The BAC Secretariat will send another Google Form link to the bidder, who already purchased the bidding documents, through email directing to the "Online Submission of the Bid Documents".

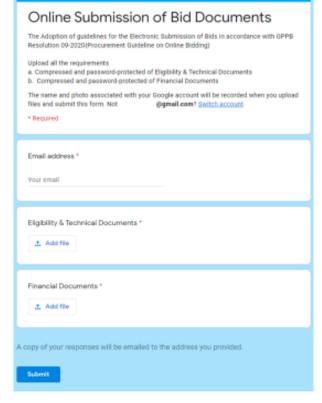

Step 9. Upon received, click the FILL OUT FORM.

Step 10. Click the <u>Add file</u> button to upload the compressed and password-protected files of Eligibility & Technical and Financial Documents (ZIP File)

Step 11. Click the <u>Submit</u> button to complete the process. A copy of the response will be automatically emailed to the address provided by the bidders which can be saved or printed by the bidder, as proof of the official time of submitted/receipt of bids.

Section IV. General Conditions of Contract

1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

Additional requirements for the completion of this Contract shall be provided in the **Special Conditions of Contract (SCC).**

2. Advance Payment and Terms of Payment

- 2.1. Advance payment of the contract amount is provided under Annex "D" of the revised 2016 IRR of RA No. 9184.
- 2.2. The Procuring Entity is allowed to determine the terms of payment on the partial or staggered delivery of the Goods procured, provided such partial payment shall correspond to the value of the goods delivered and accepted in accordance with prevailing accounting and auditing rules and regulations. The terms of payment are indicated in the **SCC**.

3. Performance Security

Within ten (10) calendar days from receipt of the Notice of Award by the Bidder from the Procuring Entity but in no case later than prior to the signing of the Contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR of RA No. 9184.

4. Inspection and Tests

The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Project specifications at no extra cost to the Procuring Entity in accordance with the Generic Procurement Manual. In addition to tests in the **SCC**, **Section IV (Technical Specifications)** shall specify what inspections and/or tests the Procuring Entity requires, and where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

All reasonable facilities and assistance for the inspection and sof Goods, including access to drawings and production data, shall be provided by the Supplier to the authorized inspectors at no charge to the Procuring Entity.

5. Warranty

- 6.1. In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier as provided under Section 62.1 of the 2016 revised IRR of RA No. 9184.
- 6.2. The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, repair or replace the defective Goods or parts thereof without cost to the Procuring Entity, pursuant to the Generic Procurement Manual.

6. Liability of the Supplier

The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Supplier is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

Section V. Special Conditions of Contract

Special Conditions of Contract

| | Special Conditions of Contract | |
|---------------|--|--|
| GCC Clause | | |
| 1 | Delivery and Documents – For purposes of the Contract, "EXW," "FOB," "FCA," "CIF," "CIP," "DDP" and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of INCOTERMS published by the International Chamber of Commerce, Paris. The Delivery terms of this Contract shall be as follows: | |
| | For purposes of this Clause the Procuring Entity's Representative at the Project Site is at | |
| | Capt. Neil Valdez BFAR-MCS Station, Navotas City | |
| | The Contract price for the Goods shall include the prices charged by the Supplier for incidental services and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services. | |
| | Spare Parts – | |
| | The Supplier is required to provide all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier: | |
| | a. performance or supervision of on-site assembly and/or start-up of the supplied Goods; b. furnishing of tools required for assembly and/or maintenance of the supplied Goods; c. furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods; d. performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and e. training of the Procuring Entity's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods. | |
| | The spare parts and other components required are listed in Section VI (Schedule of Requirements) and the cost thereof are included in the contract price. | |
| | The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spare parts or components for the Goods. | |

Spare parts or components shall be supplied as promptly as possible, but in any case, within (*please refer below*) months of placing the order.

Packaging -

The Supplier shall provide such packaging of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in this Contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity.

The outer packaging must be clearly marked on at least four (4) sides as follows:

Name of the Procuring Entity
Name of the Supplier
Contract Description
Final Destination
Gross weight
Any special lifting instructions
Any special handling instructions
Any relevant HAZCHEM classifications

A packaging list identifying the contents and quantities of the package is to be placed on an accessible point of the outer packaging if practical. If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging.

Transportation -

Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

| | Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price. Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure. The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In |
|-----|---|
| | the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination. |
| | Intellectual Property Rights – |
| | The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof. |
| 2.2 | Payment shall be made upon completion of the requirements of End-User and issuance of Certificate of Inspection and Acceptance by the Vessels Operation Center (VOC) that the delivered equipment and components are complete, usable and in good working condition. |
| 4 | No further instruction. |

Section VI. Schedule of Requirements

The delivery schedule expressed as weeks/months stipulates hereafter a delivery date which is the date of delivery to the project site.

| LOT NO. | DESCRIPTION | QUANTITY | DELIVERED, WEEKS/MONTHS | | | |

SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR AND REPAIR WORKS OF M/V DA-BFAR

I. INTRODUCTION

The Bureau of Fisheries and Aquatic Resources (BFAR) is a line bureau of the Department of Agriculture (DA) mandated to protect and manage the aquatic resources of the country. In order to effectively achieve sustainability and optimal use of resources, each fisheries ordinance and management plan are created and implemented through scientific studies.

The VOC oversees the deployment, maintenance and provides immediate repair of the BFAR vessels. Provide training platform, responds to emergencies and calamities and delivery of livelihood intervention projects of the Bureau. It shall also provide sea platform and technical assistance to other BFAR Offices and various agencies. To effectively manage the ocean resources of the country and maximize greater economic benefits from their exploitation and utilization, there is a need to intensify the implementation of the Monitoring, Control and Surveillance System in the Philippines through BFAR floating assets.

The M/V DA-BFAR is primarily utilized, as mandated by the Bureau, to explore new fishing grounds, potential deep-sea resources, assess fish stocks and monitor traditional fishing grounds in the Philippine waters. These also intend to generate data as science-based information for the formulation and implementation of rules and regulations of the bureau for a suitable sustainable management and utilization of fishery resources of the area. In addition, it is a multi-mission vessel that offers several research programs and training onboard, its competency is to collaborate with both local and international research institutions in terms of oceanographic survey and offshore fishing exploration.

"Pursuant to Presidential Decree No. 474, Republic Act No. 1059 and its Implementing Rules and Regulations (IRR), Executive Order 125/125-A, Republic Act No. 9295 and its IRR and Presidential Decree No. 1221 and its IRR requiring all Philippineowned and/or registered ships to undertake repairs and SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR with MARINA- registered ship repair yards". The coverage of which entails the "guidelines covering all Philippine-owned and/or registered ships subject for repairs, improvement, rebuilding, modification, alteration, reconditioning, conversion or SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR". Moreover, the SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR and repair works are in observance of the Memorandum Circular No. 152 Series of 1999 which aim to ensure maritime safety, strengthen the implementation of the PMMRR 1991 in respect to inspection and SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR of ships by providing supplementary regulations relative to inspection and SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR, as well to provide regulations that shall govern the conduct of underwater inspection of ships.

II. OBJECTIVES

- To maintain the A1 condition of hull and seaworthiness of the vessel.
- To restore integrity of spillage plates to protect the boundary limit of wooden floors from damage caused by weather exposure and heavy weather at sea.
- To ensure that the CO2 room is in normal and operational condition in time of emergency use.
- To guarantee the integrity of water tights door as it serves to prevent the entry of water leaking inside accommodation from all kinds of weather and during heavy seas.
- To ensure continuous operation and maintenance of main engines, generator sets/auxiliary engines, machineries, vacuumerator and associated piping and valves, refrigeration and air-conditioning, hydraulics, bolts and nuts.
- To sustain the wide ranged functions M/V DA-BFAR as the lone multi-mission vessel of the Bureau.
- For M/V DA-BFAR to satisfactorily perform and comply with the plans and programs of the Center and the Bureau.

III. BFAR Technical Requirement for dry docking and repair Revised III. BFAR Technical Requirements under Terms of Reference (TOR)

| Vessel/Boats | <u>Item Description</u> | <u>Unit Issue</u> | <u>Total Cost</u> | |

| | AND REPAIR WORKS OF M/V | | | |
| | DA-BFAR | | | |

Technical Requirements:

• The additional SUPPLY OF MATERIALS AND LABOR FOR ADDITIONAL DRYDOCKING AND REPAIR WORKS OF M/V DA-BFAR and repair works services for thirty (30) days consists of structural repair works, hull treatment and preservation works, primary and secondary valves work, additional piping repair works, growth repair works of engine room fuel piping system, other equipment works, machining and calibration works for auxiliary engine no. 2 and no. 3.

Note: Shipyard Supplied Materials will be used except to those that are specified to use owner's supplied materials.

ADDITIONAL STRUCTURAL REPAIR WORKS

(Note: Shipyard Supplied Materials)

CO2 Room:

Crop-out, fabricate & install CO² Tank Base.

4 pcs. - 8mm thk x 2" x 2" x 12" MS Angle Bar

2 pcs. - 8mm thk x 2" x 2" x 82" MS Angle Bar

8 pcs. - 8mm thk x 2" x 2" x 6" MS Angle Bar

Shipyard Supplied materials;

2 pcs. - 8mm thk x 2" x 2" x 240" MS Angle bar

Remove & re-install CO2 bottles & fittings prior repair.

Crop-out and replate main deck side shell spillage plate P/S side using Owner's supplied materials.

1 pc. - 10mm thk x 2" x 184" MS Flat Bar

1 pc. - 10mm thk x 2" x 650" MS Flat Bar

1 pc. - 10mm thk x 2" x 184" MS Flat Bar

1 pc. - 10mm thk x 2" x 100" MS Flat Bar

1 pc. - 10mm thk x 2" x 133" MS Flat Bar

1 pc. - 10mm thk x 2" x 88" MS Flat Bar

Crop-out and replate deteriorated steering plate of skiff boat.

2 pcs. - 10mm thk x 12" x 36" MSP

1 pc. - 10mm thk x 12" x 39" MSP

Shipyard Supplied materials;

1 sheet - 10 mm x 4' x 8' MSP

Crop-out and replate tranverse bulkhead plate P/S side.

8pcs - 6mm x 4' x 8' Stainless steel plate

Shipyard Supplied materials;

8 pcs - 6mm x 4' x 8' Stainless steel plate

ONE (1) SET AFT TRAWL PULLEY:

Cut & remove existing pad-eye to remove the aft pulley, pull-out, haul to shop for

repair and recondition of one (1) set of aft trawl pulley, Fabricate & install new pulley pin & bolts using shipyard supply materials.

Machining works;

Fabrication, machining, pad eye shaft Owners supplied materials

Shipyard Supplied materials;

1 pc. - 70mm x 12½" Pad Eye Shaft

Crop-out & renew deteriorated Water Tight Door in long line area and main deck area using Shipyard supplied materials.

HULL TREATMENT AND PRESERVATIONS WORKS

Growth works for hull preservation from Keel to DLL P/S side, with a total area of 741.12 sq. meters.

Spot blast to SA 2.5 (Nearwhite), total of 50% of area = 370.56 sqm

PRIMARY AND SECONDARY VALVES WORKS

Pull-out, opened up valves, scrape and paint with one coat and refit and re setting of valves, repack and renew gasket and conduct hydrotest with O.R.'s presence & re-install onboard after works. (Owner's supplied materials)

Fuel oil Valves; (Engine Room)

4 pcs. - 3"Ø Globe valve

2 pcs. - 2"Ø Globe valve

1 pc. - 1 ½"Ø Globe valve

1 pc. - 1"Ø Globe valve

Replacement of the following valves using Shipyard supplied materials.

Gen. set Valves; (Engine Room)

4 pcs. - 4"Ø stainless Butterfly valve

2 pcs. - 5"Ø stainless Butterfly valve

1 pcs. - 5"Ø stainless Butterfly valve (M/E cooling)

2 pcs. - 2 ½"Ø stainless Butterfly valve

1 pcs. - 2"Ø stainless Butterfly valve

ADDITIONAL PIPING REPAIR WORKS

Crop-out & renew deteriorated refrigeration, fire main engine and hydraulic cooling manifold at bow thruster room.

1 pc. - 6"Ø x 56" BIP Sch 80 (Manifold)

1 pc. - 4"Ø x 4" BIP Sch 80

1 pc. - 4"Ø x 16" BIP Sch 80

1 pc. - 2"Ø x 5" BIP Sch 80

1 pc. - 2½"Ø x 4" BIP Sch 80

2 pcs. - 1½"Ø x 4" BIP Sch 80

1 pc. - 4"Ø - 3"Ø Concentric Reducer BI Pipe Sch 80

1 pc. - 4"Ø - 2½"Ø Concentric Reducer BI Pipe Sch 80

1 pc. - 1½"Ø Butterfly Valve

2 pcs. - 2"Ø Butterfly Valve

4 pcs. - 4"Ø Butterfly Valve

1 pc. - 2½"Ø x 150 PSI BI Flange

1 pc. - 3"Ø x 150 PSI BI Flange

16 pcs. - 5%"Ø x 2½" Stainless Bolts and Nuts

Shipyard Supplied materials;

1 pc. - 6"Ø x 240" BIP Sch 80

1 pc. - 4"Ø x 4" BIP Sch 80

1 pc. - 2"Ø x 240" BIP Sch 80

1 pc. - 2½"Ø x 240" BIP Sch 80

1 pc. - 1½"Ø x 240" BIP Sch 80

1 pc. - 4"Ø - 3"Ø Concentric Reducer BI Pipe Sch 80

1 pc. - 4''Ø - $2\frac{1}{2}''$ Ø Concentric Reducer BI Pipe Sch 80

1 pc. - 1½"Ø Butterfly Valve

2 pcs. - 2"Ø Butterfly Valve

4 pcs. - 4"Ø Butterfly Valve

6 pcs. - ³/₄"Ø x 45° BI Elbow Pipe Sch 80 socket type

16 pcs. - 3/4"Ø x 150 PSI BI flange

2 pcs. - $\frac{3}{4}$ "Ø x 8" BI Nipple sch. 80

1 pcs - ½" thk x 2 meter Rubber gasket with ply

OTHER EQUIPMENT WORKS

Growth works for transom watertight door;

Machine rod with clevis for cylinder.

1 pc - 50mm dia x 1250mm length with female clevis

One (1) unit Hydraulic Control Valve

Replacement of hydraulic control valve; D6/3-DSC-TM 3 banks sectional Replacement of Hot plate

Pull-out existing defective hot plate with w/ Mica & replace brand new Hot plate with mica 8mm x 43".

Replacement of Two (2) units Pressure tank

Pull-out existing and replace of deteriorated Stainless pressure tank with brand new 120 gals. Stainless pressure tank using Shipyard supplied materials.

Modification of pressure tank base

Adapt to existing pressure pipe

Modified pressure control

Shipyard Supplied materials;

2 pcs - 120 gal. stainless pressure tank

1 pc - 1" Ø x 20' Galvanized pipe

2 pcs - 1" Ø x 90° Galvanized elbow

1 pcs. - 8mm thk x 2" x 2" x 240" MS Angle bar

Replacement of two (2) units Brand New Split Type Aircon (Capacity: 3HP).

Pull-out existing and replacement of two (2) units of brand-new Split type Aircon (Capacity: 3HP) at Classroom & Bridge.

Fabrication of aircon housing using shipyard supply materials

Remove and re-install interference prior to installation of split type aircon.

Shipyard Supplied materials;

1 pcs - 6mm x 4' x 8' Stainless steel plate

2 pcs - Split type Air con

Supply of two (2) units brand new bitzer II (Y) compressor.

MACHINING & CALIBRATION WORKS OF AUXILIARY ENGINE NO. 2 & NO. 3

Conduct machining, calibration of engine parts of Auxiliary Engine No. 2 & No. 3.

Engine Block;

Steamwash

Hvdrotest

Replace liner

Line Bore Main Bearing housing

Camshaft;

Cambushing replace & fit

Cranshaft:

Magnaflauxing / Crack Testing

Straightening of Bend (Owners risk)

Regrind Main Bearing Journal

Regrind Conrod Bearing

Side Thrust Machine & Thrust Bearing Re-babbit

Fitting main & conrod bearings

Connecting rod Arms;

Con-rod check-up alignment

Re-standard Big end bore

Piston Pin bushing replace & fitting

Cylinder head

Seawater pump repair kit

Freshwater pump repair kit

Heat exchanger hydrotest & derust

Oil cooler hydrotest & derust

Aftercooler hydrotest & derust

Exhaust manifold hydrotest & derust

Turbo manifold hydrotest & derust

Turbo charger replace repair kit

Replace plunger

Replace bonet valve

Replace shafting oil seal

Replace overhauling gasket

Replace injector

Repair/overhaul of one (1) alternator (350 KW/438 KVA)

Pull-out, haul to shop, dismantling, stripping, cleaning of rotor core

Rewinding/re-taping of main rotor using high temperature capton tape

Pre-heating, varnishing, oven baking and dynamic balancing

Conduct the final testing such as insulation resistance test & polarity test

Re-install back the unit & conduct testing witnessed by attending Owner's representative.

Machining/Re-sleeve and build-up of rotor bearing housing of generator nos. 2 and 3 due to wear and tear:

Pull-out, haul to shop for machining and repair Re-sleeve/build-up bearing housing seating

Grinding/polish and refine surface for bearing seating Installation and re-fitting of bearing and conduct testing as witnessed by OR or Vessel Engineer

IV. Deliveries

Delivery Area

LUZON

Navotas Fishport, Navotas City

V. Logistical Requirements

The bidder shall provide logistical supplies such as:

- The capacity to complete within the required time frame, 30 days upon the receipt of the Notice to Proceed (NTP).
- Provide manuals for all brand-new types of machineries and equipment.

- An all-risk insurance shall be provided by the supplier during repair, dismantling and installation of machineries and equipment, and testing/trial until these are already officially accepted by the end-users.
- Brand New machineries, equipment, parts and all works performed under this contract are to be inspected/tested by Technical Staff/Consultant during the sea trial, to verify proof of performance with specification requirements. All tests and trial expenses shall be on the account of the provider.
 - The inspection system shall include the following:
 - Receiving Inspection to verify and confirm compliance of machineries, equipment, valves, and parts to the desired quality and specification prior to acceptance. This will be referred to manufacturer's brochures or any materials specifications.
 - Equipment Inspection and Test to verify and confirm compliance of machineries, equipment, valves and parts in accordance to the manufacturer's brochures.
 - Electrical Inspection and Test to verify and confirm compliance of the types of equipment to quality standards.
 - Acceptance Trials the trials shall prove the usability of the machineries, equipment, parts and shall also test and prove that all systems onboard the vessel is functioning to the desired level.
- Required papers or documents in order to successfully deliver/supply.

Important Reminders

- The bidders are encouraged to consult this checklist before submitting their Bid on the deadline for the submission and the receipt of Bids. However, this is **by no means exclusive** Bidders must still familiarize themselves with other bid requirements not otherwise included herein such as, but not limited to those in the Term of Reference, Bid Bulletin, Pertinent GPPB guidelines, rules, etc.
- ➤ All Bidders must submit their bid in accordance with the Guidelines on Electronic Submission and Receipt of Bids as indicated in the Annex A simultaneously with the submission of the printed copies as indicated in the BDS Clause 15.
- ➤ All documents shall be current and updated and any missing document in the above-mentioned Checklist is a ground for outright rejection of the bid.
- ➤ All Pages of the documents shall be signed/initialed by the bidder or by his/her authorized representative.
- To facilitate the evaluation of the bids, bidders are advised to follow the arrangement in the above-mentioned checklist.

"ANNEX A"

BIDDER'S KIT FOR BFAR PROCUREMENT GUIDELINES IN ADOPTING ELECTRONIC SUBMISSION OF BIDS

(GPPB Resolution No. 09-2020)

I. PRE-REGISTRATION& PRE-BID CONFERENCE

Step 1: Register by completing the information required in the **Google Form** which can be accessed here: https://docs.google.com/forms/d/16ihspj0z-0jNdbv D9pbBwgoCazCDz3dG ASiyvvhig/edit

Once completed, submit the form to the Secretariat and wait for an acknowledgment by e-mail.

- **Step 2:** Join the scheduled Pre-Bid Conference by clicking the link provided by the Secretariat through e-mail using **Zoom**. Please make sure that you allow access to the microphone and the camera.
- **Step 3:** Kindly wait for the Secretariat to confirm your entry through Zoom to participate in the pre-bid conference.
- **Step 4:** See attached file as "Annex A" for the House Rules to be observed during the conduct of procurement activities.

II. PREPARATION OF BID (SOFT COPY)

- **Step 1:** Prepare a final scanned copy of your Bid which is divided into two different PDF files:
 - 1. Eligibility Documents & Technical Documents; and
 - 2. Financial Documents
- **Step 2:** Set a password for the scanned copy of the Eligibility Documents & Technical Documents and Financial Documents and save as a .PDF file.
- **Step 3:** Compress the file, save the password-protected .PDF file to a ZIP file. Set another password on the ZIP file.

Important: Passwords must be 8-16 characters and contain both numbers and letters/special characters. The bidder is required setting a unique combination for each file and folder. Same passwords for all files are not allowed. For details

on how to set passwords in .PDF file and ZIP file, please see file attached as "Annex B".

Step 4: For effective documentation of the submitted files, you must comply with the label format below:

| 1. | . Both ZIP folder and .PDF file shall be assigned file name | | | | | | | | | | | | |
|---------------------|---|-----|--------|--------------------------------------|------------------------------------|------|-------|----|----------|------|------|-------------|-----|
| "BFAR Bid Reference | | | | No | No (Company Name); Legal & Technic | | | | | | | | |
| Documents" | | | | | | | | | | | | | |
| 2. | Both | ZIP | folder | and | .PDF | file | shall | be | assigned | file | name | BFAR | Bid |
| Reference No | | | | (Company Name); Financial Documents" | | | | | | | | | |

III. REGISTRATION FOR ONLINE SUBMISSION

Step 1: Register through Google Form, a link will be provided upon request to the BAC Secretariat's e-mail address: bac.eps@bfar.da.gov.ph at any time before the closing date and time specified in the Bidding Documents by disclosing the following information:

- a) Email Address
- b) Company Name
- c) Company Address
- d) Authorized Representative
- e) Contact No.
- f) Bid Reference
- g) Bid Title
- h) Official Receipt (OR) No.

Upon verification of the Official Receipt (OR), the BAC Secretariat will send the Public Bidding Documents through the given email or shall provide a hard copy upon request. It may also be downloaded free of charge from the website of the Philippine Government Electronic Procurement System (PhilGEPS) and the website of the Procuring Entity, provided that Bidders shall pay the applicable fee for the Bidding Documents not later than the submission of their bids.

Step 2: The BAC Secretariat will send another Google Form link to the bidder, who already purchased the bidding documents, through the given email directing to the "Online Submission of the Bid"

IV. ACCESSING THE GOOGLE FORMS

Step 1: Upon successful login to your email address account. You will now open the Google Form link sent through BAC Secretariat's e-mail address given above.

Step 2: Click the **FILL OUT FORM** button. (See attached "Annex C")

V. **SUBMISSION OF BID**

Step 1: Submit your Bids through Google Form at any time before the closing date and time specified in the Bidding Documents.

Step 2: Upon preparation and finalization of the compressed and password-protected files Eligibility & Technical and Financial Documents, a Google Form link will direct you to the page where they can now upload the said requirements. (See attached "Annex C, Figure 10.1")

Step 3: After submission, a copy of the response will be automatically emailed to the address provided by you which can be saved or printed, as proof of the official time of the submission and receipt of bids. (See attached "Annex C, Figure 11.2")

VI. RECEIVING OF THE SUBMITTED BID

The BAC Secretariat will receive the submitted information through Google Forms and will generate a Bid Receipt page for the official time of submission of all bidders, which can be saved or printed.

Bidders may modify their Bid at any time before the deadline for the submission and receipt of bids. Bidders shall send another Bid equally secured, properly identified, and labelled as a "modification" of the previously submitted. The time indicated in the latest Bid receipt page generated shall be the official time of submission. Bids submitted after the deadline shall not be accepted.

The BAC Secretariat will not be able to access the documents until the day of the Bid Opening.

VII. BID OPENING PROCESS

The BAC, with the assistance of the Secretariat and Technical Working Group (TWG), shall conduct bid opening via Zoom. Bidders are encouraged to attend the bid opening online. The passwords for the folders (ZIP) and the files (.PDF) shall be disclosed by the bidders only during actual bid opening which may be done via Zoom.

The Secretariat will ask the bidder, who choose to attend via Zoom, the corresponding password of their Bid during the bid opening itself. The official representative of the bidder shall respond promptly in the same chat box with the passwords when prompted. Bidders are given within five (5) minutes to respond with the passwords. If the bidder does not provide or respond with the

password within five (5) minutes, from prompting, it will result in disqualification and the BAC shall move on to the next bid, if any.

The bidder shall first disclose the password for the compressed folder (ZIP file) containing the Eligibility & Technical documents, second disclose the password for the Eligibility & Technical document (.PDF file). The Secretariat will share the screen via Zoom during accessing the submitted Bid.

If the bidder **passed** the Eligibility & Technical requirements, the second password-protected compressed folder containing the Financial Documents and the files contained therein shall be opened in the same manner as the password of the eligibility documents as described above. In no case will a bidder disclose the passwords for the financial folder and the files prior to being declared eligible based on the evaluation of the eligibility documents.

The bidder is given only three (3) attempts to disclose the password per compressed folder (ZIP) and .PDF file to open the documents. If the bidder fails to provide the correct password after the third attempt, their Bid will no longer be considered. The Secretariat shall take and print a screenshot of such inquiries and responses to form part of the records and all incidents should be recorded in the minutes.

In the event that the BAC cannot access the submitted electronic copy of the Bid, the BAC will proceed with the opening of the ORIGINAL HARD COPY.

Basic House Rules to be observed during BAC Meetings

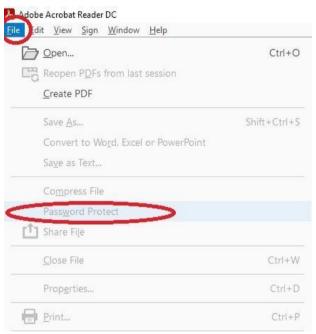

- 1. Kindly place your microphone on mute when not speaking.
- 2. Please raise your hand, and wait to be recognized before you speak (remember to toggle off mute).
- 3. Turn on video for confirmation of your identity.
- 4. Meeting will start on time. You are advised to enter the VTC room 30 minutes to resolve technical issue, if any.

"ANNEX B"

Adding a password to a .PDF file using Adobe Acrobat Reader DC.

One-click option to protect a PDF with a password

- 1. Open the PDF file
- 2. Choose **File > Protect Using Password**.

3. Select to set the password for Viewing the PDF.

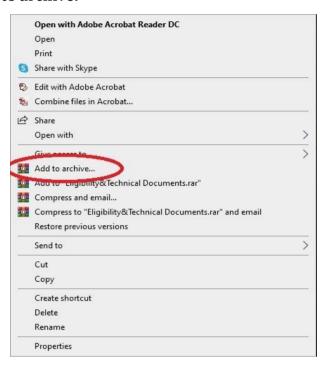

4. Type and retype your password. The password strength is displayed next to Page **65** of **74**

your password to indicate whether the chosen password is weak, medium, strong, or best.

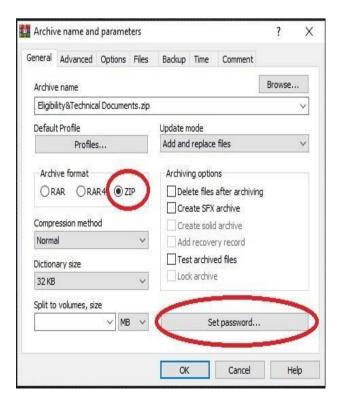

5. Click **Apply**

File Archiving and Compression using WinRaR application

- 1. Right Click the password protected .PDFfile
- 2. Select "Add to archive."

3. In the Archive name and parameters dialog box, select "Radio button ZIP" and click "Set password"

Page **66** of **74**

4. Type your password and Click "OK button."
