Shellfish Bulletin No. 01
Series of 2023
10 January 2023

Shellfishes collected and tested from **coastal waters of Milagros in Masbate; coastal waters of Panay, President Roxas, and Pilar in Capiz; coastal waters of Daus and Tagbilaran City in Bohol; Irong-irong, and San Pedro Bays in Samar; Dumanquillas Bay in Zamboanga del Sur; and Lianga Bay in Surigao del Sur** are still **positive** for Paralytic Shellfish Poison (PSP) or toxic red tide that is beyond the regulatory limit.

All types of shellfish and *Acetes sp.* or *alamang* gathered from the areas shown above are NOT SAFE for human consumption. Fish, squids, shrimps, and crabs are safe for human consumption provided that they are fresh and washed thoroughly, and internal organs such as gills and intestines are removed before cooking.

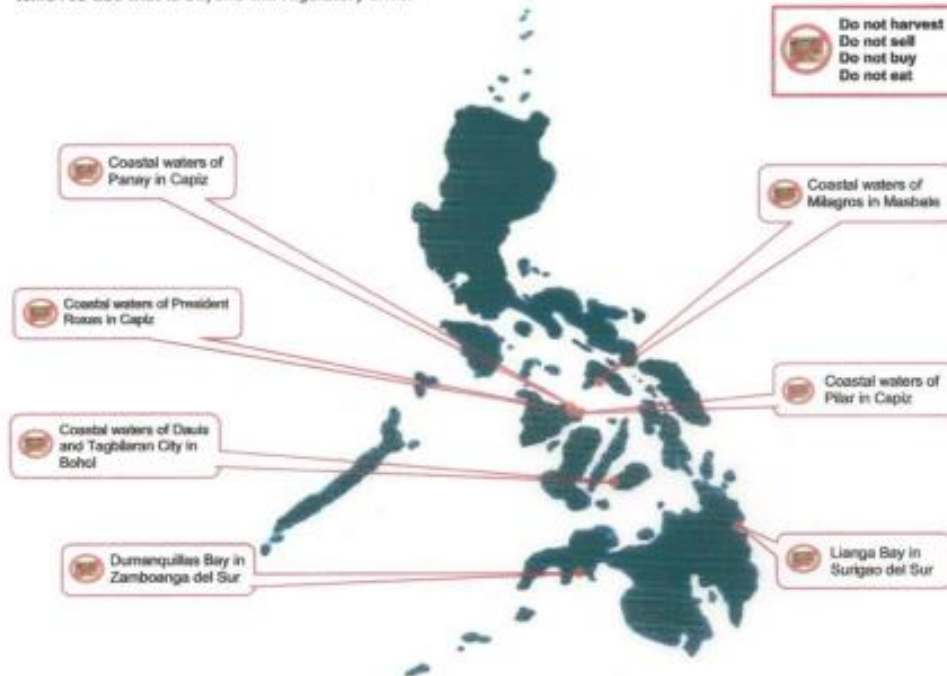

The following areas continue to be **FREE from toxic red tide**: coastal waters of Cavite, Las Piñas, Parañaque, Navotas, Bulacan, and Bataan (Mariveles, Limay, Orion, Pilar, Balanga, Hermosa, Orani, Abucay, and Samal) in Manila Bay; mariculture areas in Infanta, coastal waters of Bolinao, Anda, Alaminos, Sual, and Wawa, Bani in Pangasinan; mariculture areas in Rosario, and Sto. Tomas in La Union; coastal waters of Pampanga; Masinloc Bay in Zambales; Pagbilao Bay, Pagbilao, and coastal waters of Walay, Padre Burgos in Quezon; Honda, and Puerto Princesa Bays, Puerto Princesa City, and coastal waters of Inner Malampaya Sound, Taytay in Palawan; coastal waters of Mandaon in Masbate; Sorsogon Bay, and Juag Lagoon, Matnog in Sorsogon; coastal waters of Gigantes Islands, Carles, and Borongan, San Dionisio in Iloilo; coastal waters of Altavas, Batan, and New Washington in Batan Bay, Aklan; coastal waters of E.B. Magalona, Talisay City, Silay City, Bacolod City, Hinigaran, and Victorias City in Negros Occidental; Tambobo, and Silit Bays, Siaton in Negros Oriental; coastal waters of Daram, Calbayog, and Zumarraga, Cambatutay, Maqueda, and Villareal Bays in Samar; coastal waters of Calubian, Ormoc, Sogod, and Carigara Bays in Leyte; coastal waters of Biliran Island; Tantanang Bay in Zamboanga Sibugay; Murcielagos Bay in Zamboanga del Norte and (Sapang Dalaga, and Baliangao) in Misamis Occidental; Panguil Bay, Tangub City, and coastal waters of Ozamiz City in Misamis Occidental; coastal waters of Baroy in Lanao del Norte; Taguines Lagoon, Benoni, Mahinog in Camiguin; Balite, and Pujada Bays, Mati City in Davao Oriental; Malalag Bay in Davao Occidental and Davao del Sur; coastal waters of Nasipit in Agusan del Norte; Litalit Bay in Surigao del Norte; and coastal waters of Hinatuan, Cortes, and Bislig Bay in Surigao del Sur. **Moreover, Sapian Bay (Ivisan and Sapian), and coastal waters of Roxas City in Capiz are now free of the toxic red tide.**
