Remarks/Market Observations:	<p>The following observations were gathered from market personnel and vendors this week:</p> <ol style="list-style-type: none"> A noticeable increase in the price of marine fishery commodities was observed among the monitored retail markets this week. This could be attributed to the reduced supply of these commodities, which may have been affected by the cold weather conditions brought about by the Northeast Monsoon, Shearline, and the Low-Pressure Area (formerly Querubin), along with the upcoming Christmas season. Specifically, the limited availability of local galunggong lakai (<i>Decapterus macrosoma</i>) was still noted among the monitored retail markets, with a recorded prevailing retail price of Php280.00 & 340.00/kg. The supplies were sourced from Zamboanga, Lucena, Farmers Market (wholesale), Malabon, and Navotas Fish Port. Despite this, other vendors, particularly in the Commonwealth market, opted to sell the imported-frozen variant to meet the demand for galunggong. A limited supply of medium-sized alumahan (<i>Rastrelliger kanagurta</i>) was also noted in the monitored markets this week, with a recorded prevailing retail price of Php360.00/kg. The supplies were sourced from Lucena, Farmers Market (wholesale), Malabon and Navotas Fish Port. In spite, the supplies of other variants, such as Hasa-hasa, were also observed this week. Stable and sufficient availability of major aquaculture commodities, such as bangus and tilapia, was recorded in the monitored retail markets this week. For medium-sized bangus (<i>Chanos chanos</i>), the prevailing retail price was Php160.00/kg, primarily sourced from Bulacan. Similarly, for medium-sized tilapia (<i>Oreochromis niloticus</i>), the prevailing retail price remained at Php130.00/kg, with supplies sourced from Pampanga and Batangas. Major source areas of the top fishery commodities in the monitored markets are as follows: <ul style="list-style-type: none"> a. Retail <ul style="list-style-type: none"> a.1. Bangus - Bulacan a.2. Tilapia - Batangas a.3. Local Galunggong - Malabon Fish Port a.4. Imported Galunggong - Navotas Fish Port a.5. Alumahan - Malabon Fish Port
